

Urology Complication Conference 2019
8 - 9 June, 2019 Hotel Pullman & Novotel, Aerocity, New Delhi
Scientific program

Day 1, 8th June (Saturday)

Time	Session	Topic
08:00 - 08:55 Hrs		Registration
		Open House (Both days) (continuous running video clips of problems faced during surgery)
	1	Subtle iliac vein injury in robot assisted surgery - Dr Kishore TA, Kochi
	2	Amplatz sheath migration during PCNL: Prevention and management - Dr Pankaj Wadhwa
	3	Urinoma after Robot assisted partial nephrectomy! What next ? - Dr Vikas Singh, Delhi
	4	Rectal injury while doing robot assisted radical cystectomy: what mistake did I do? Dr Manav Suryavanshi, Gurugram
	5	During renal descensus, while doing pyeloplasty, I ended up cutting the upper pole: what next ? Dr Ruchir Maheshwari, Delhi
	6	Managing an inadvertent application of a Hem-O-Lok clip over the renal vein Dr Manav Suryavanshi, Gurugram
	7	Post hysterectomy Bilateral ureteric stricture - What did I do? Dr Shivam Priyadarshi
	8	Post PCNL bleed with expanding retroperitoneal hematoma: Urologist's nightmare Dr Ravi Mohan, Chandigarh
08:55 - 09:00 Hrs		Opening the Conference
0900 - 1100 Hrs	Session I	Endourology and Laparoscopy
	Experts	Dr Madhusudan Agarwal, Dr R B Sabnis, Dr Nitin Kekre, Dr Anil Elhence, Dr S K Pal, Dr Mallikarjun C
	09:00-09:10	PCNL in a kidney after partial nephrectomy: a lesson to be learnt Dr Manav Suryavanshi, Delhi
	09:10-09:20	Anuria in post-operative period in a well hydrated patient with normal creatinine after laparoscopic nephrectomy for a giant hydronephrotic kidney - Dr Santosh Kumar
	09:20-09:30	Managing problems encountered during RIRS Dr Chandramohan
	09:30-09:36	Dark side of the technology: we are still the masters Dr Kamaljeet Singh
	09:36-09:46	A simple TURP gave me sleepless nights Dr Mallikarjun C, Hyderabad
	09:46-09:54	My third puncture to remove upper calyceal stone, OMG it is a gall stone! Dr Mohammad Taif N Bendegiri, Hyderabad
	09:54-10:02	OMG! I punctured the splenic artery during PCNL Dr Himanshu Pandey, Jodhpur
	10:02-10:10	Laparoscopic Donor Nephrectomy; How did it become maximally invasive surgery for the patient! Dr Anil Sharma, Jaipur
	10:10-10:20	Tryst with complications in RIRS: Dr Kandarp Parikh, Ahmedabad
	10:20-10:30	Weeping /bleeding bladder; Even open cystostomy did not help! What went wrong? Dr Makarand Khochikar, Mumbai
	10:30-10:36	Error of Judgment; wanted to push back but..... Dr SK Pal
	10:36-10:52	Mini PNL led the patient in ICU; where did I go wrong? - Dr S K Pal
	10:50-11:00	Unpleasant moments and solution in laparoscopic surgery - Dr Shrenik J Shah, Ahmedabad
	11:00-11:10	Basketing Stone"no more childs play" ! - Dr Kandarp Parikh, Ahmedabad
11:10 - 12:10 Hrs	Session II	Let's think beyond Urologic surgery
		Dr Rajesh Ahlawat, Dr N P Gupta, Dr Arup Mandal, Dr Amlesh Seth
	11:10-11:22	Save your heart: - Dr Naresh Trehan
	11:22-11:34	Respect bowel you urologist! - Dr Amanjeet Singh
	11:34-11:46	Vit D Calcium and Bones - Dr Ambrish Mithal
	11:58-12:10	Reverse the pyramid - Dr Pallavi Aga
12:10 - 13:20 Hrs	Session III	Reconstructive Surgery
	Experts	Dr N P Gupta, Col S V Kotwal, Dr G S Kochhar, Dr Sanjay Kulkarni, Dr Ajit Saxena
	12:10-13:20	"Fatigue" an often ignored determinant of surgical outcome! Dr Manav Suryavanshi, Gurugram
	12:20-12:30	Catheter removal after buccal mucosa urethroplasty; long enough time of catheterization was not long enough! Dr Praful Mishra, Gurugram
	12:30-12:40	Unusual complication of rectovesical fistula: Dr Col S V Kotwal, Delhi
	12:40-12:50	What shall I do if I exhaust the options of bridging the gap between cut open ends of urethra while doing urethroplasty! Dr Nikhil Khattar, Gurugram
	12:50-13:00	Rising creatinine after radical cystectomy and urinary diversion; what shall I do ? Dr Varun Mittal, Gurugram
	13:00-13:10	I wanted to bring testis down but what did I bring out! Dr Gautam Choudhury, Jodhpur
	13:10-13:20	During double J stent removal; What did Patient lose? Dr Bhupendra kadyan, Panipat
13:20 - 1400 Hrs		Lunch
1400 - 1600 Hrs	Session IV	Urologic Cancer Surgery
	Experts	Dr Rajeev Sood, Dr S K Singh, Dr Sudhir Rawal, Dr Makarand Khochikar
	14:00-14:10	Managing an unusual complication of post radiation ileal conduit cutaneous urinary fistula! Dr Praful Mishra, Gurugram

	14:10-14:20	Partial nephrectomy with a satellite nodule Enigma after brain tumor removed cytoreductive or curative ! Dr Anil Mandhani, Gurugram
	14:20-14:30	Incessant bleeding from the bed while doing partial nephrectomy. What shall I do? Dr Deepak Rathi, Gurugram
	14:30-14:40	Testicular mass diagnosed on the day of wedding , trouble continues Dr Makarand Khochikar, Miraj
	14:40-14:50	Management of Ureteric injury following Robot assisted surgery - Dr N P Gupta, Gurugram
	14:50-15:00	Salvaging life following radiotherapy for carcinoma prostate - Dr N P Gupta, Gurugram
	15:00-15:10	Post RALPN had hemoperitoneum laparoscopy sows mesenteric bleed. Dr Mallikarjuna C, Hyderabad
	15:10-15:20	Lap adrenalectomy,post operative hypotension, Laparoscopy exploration for bleeding, what was the cause? Dr Mohammad Taif N Bendegiri, Hyderabad
	15:20-15:30	Ureteric stricture after radical cystectomy and orthotopic neobladder. What shall I do? Dr Sanjay Sureka, Lucknow.
	15:30-15:40	Anuria in immediate post operative period following lap radical prostatectomy: what next? Dr Sanjay Sureka, Lucknow
	15:40-15:50	Unusual Complication of Supracostal Puncture for Pyelocalyceal diverticular stone. Dr H S Bhatyal, NewDelhi
	15:50-16:00	Explosion scared me while doing TURP. Dr Somendra Bansal, Jaipur
1600 - 1840 Hrs	Session V	Transplant and Vascular Surgery
		Dr Anant Kumar, Dr H S Bhatyal, Dr Aneesh Srivastava , Dr Santosh Kumar, Dr D Ramesh, Dr Shivam Priyadarshi
	16:00-16:06	Immediate high drain output in Kidney transplant recipient: What went wrong? Dr Deepak Rathi, Gurugram
	16:06 -16:12	I did not expect this to be a reason for post Transplant urine leak - Dr Waheed Zaman
	16:12-16:20	External iliac artery dissection a minute after declamping it! Fate and follow up! Dr Anil Mandhani, Gurugram
	16:20-16:30	The cost of a delay - Dr Aditya Pradhan, Delhi
	16:30-16:40	Nice Single artery anastomosis but only half of the kidney got perfused: What went wrong? Dr P B Singh, Varanasi
	16:40-16:50	Ureteric Necrosis after kidney transplantation - Dr Anand Dharaskar, Pune
	16:50-17:00	Accidental transection of segmental artery and ureter in graft kidney; what shall I do? Dr Anand Dharaskar, Pune
	17:00-17:10	What if you are out of the ureter while dilating it in Transplant kidney? Dr Ruchir Maheshwari, Delhi
	17:10-17:20	Perigraft hematoma causing low urine output after robot assisted Kidney transplant what shall I do? Dr Pankaj Panwar, Delhi
	17:20-17:30	A nicely made brachiobasilic AV fistula suddenly stopped working! What to do next. Dr Himanshu Pandey, Jodhpur
	17:30-17:40	Ureteral loss in a graft kidney, what did I do? - Dr Rajesh Taneja, Delhi
	17:40-17:50	Immediate salvage of acute thrombosis of AV Fistula - Dr Vijay Maddhuri, Delhi
	17:50-18:00	Graft loss even after repeated exploration; still an enigma: - Dr Kinjal Banerjee, Delhi
	18:00-18:10	Multiple cases of ureteric obstruction in graft ureter - Dr P P Singh, Delhi
	18:10-18:20	Laparoscopic approach to tackle a CAPD catheter non function - Dr Deepak Rathi, Gurugram
	18:20- 18:30	Post pyelolithotomy nephrocutaneous fistula: How to manage it? Dr Shivam Priyadarshi
	18:30- 18:40	Salvaging Dehiscence of brachiocephalic fistula: Dr Ankit Fusakele
2000 Hrs Onwards		Cocktail Dinner
Day 2, 9th June (Sunday)		
08:50 - 11:00 Hrs	Session VI	Laparoscopy and Robotic Surgery (Sponsored By INTUTIVE)
	Experts	Dr Rajesh Ahlawat, Dr P N Dogra, Dr Amlesh Seth, Dr Rajeev Kumar, Dr Deepak Dubey, Dr T Yuvraaj
	08:50-09:00	Rescuing a situation of total urine output coming through drain on the first post operative day after RARP - Dr Anil Mandhani, Gurugram
	09:00-09:10	External iliac artery injury while doing robot assisted surgery: undocking to dock the sinking ship! Dr Mallikarjun C, Hyderabad
	09:10-09:20	What looks good on the screen may not be good in the ward! Fate after Robot assisted partial nephrectomy! Dr Deepak Rathi, Gurugram
	09:20-09:30	Managing Vascular leak after Robot assisted Renal transplant - Dr Kishore TA, Kochi
	09:30-09:40	Complication of managing a complicated lap pyeloplasty - Dr P P Singh, Delhi
	09:40-09:50	Robot assisted radical prostatectomy: Did not expect urine to leak from the Rectum! Dr Pankaj Gaur, Delhi
	09:50-10:00	Unexpected troubles in a case of robot assisted IVC Thrombectomy: How did I overcome them? Dr Ginil Kumar, Kochi
	10:00-10:10	Injury to left common ilea vein while doing extended lymphadenectomy in RARP Dr K Raghunath, Bangalore
	10:10-10:20	Rectal injury during laparoscopic radical prostatectomy. One more cause! Dr Sanjay Bhatt, Kochi
	10:20-10:30	Iatrogenic complications during robot assisted surgery: - Dr Ravi Mohan, Chandigarh
	10:30-10:40	"Choose your team wisely" avoid unexpected complications! - Dr Prasun Ghosh, Gurugram
	10:40-10:50	Mistaken identity in Robot assisted surgery: escaped unhurt! - Dr Vipin Tyagi, New Delhi
	10:50-11:00	When open surgery came to rescue for Robot! Dr T Yuvraaj
1100 - 1200 Hrs	Session VII	Female Urology
	Experts	Dr Sanjay Sinha, Dr Nitin Kekre, Dr D Ramesh, Dr Apul Goel, Dr K V Sanjeevan
	11:00-11:06	Total loss of urethra after obstructed labor in a young female; what next! Dr Nikhil Khattar, Gurugram

	11:06-11:12	OMG! I injure the bowel while doing surgery for failed sling procedure Dr Nikhil Khattar, Gurugram
	11:12-11:20	Post radiation VVF: How many attempts are good enough? Dr Nikhil Khattar
	11:20-11:30	You stopped my leak, but what have you done Doc ? story of hysterectomy, Ureteric stricture, Ureterovaginal fistula and finally - Dr Makarand Khochikar, Miraj
	11:30-11:40	Sloughing of BN and urethra due to obstructed labor; continued leak though 6 pregnancies; an enigmatic story - Dr Makarand Khochikar, Miraj
	11:40-11:50	Bladder neck obstruction and CKD. No response to BNI so what next! - Dr Nikhil Khattar Gurugram
	11:50-12:00	Female urethral dilatation: An innocuous procedure turned nightmarish! - Dr Pawan Vasudev, New Delhi
	12:00-12:10	Tragic consequences of Vaginal atresia - situation was made out of hand! - Dr Amita Jain, Gurugram
12:10 - 13:20 Hrs	Session VIII	Pediatric Urology
	Experts	Dr A L Bhat, Dr M S Ansari, Dr Kim Mammen, Dr Shivam Priyadarshi, Dr Col S V Kotwal
	12:10-12:20	Acute complication of hypospadias surgery, should we intervene or not Dr Amilal Bhat, Bikaner
	12:20-12:30	UPJ obstruction, Missed or Mised: - Dr Amilal Bhat, Bikaner
	12:30-12:40	Failed extrophy; What next - Dr Amilal Bhat
	12:40-12:50	Non drainage after pyeloplasty in Giant hydronephrosis (SFU 4), complication or a corollary Dr M S Ansari, Lucknow
	12:50-13:00	When I took an infant for D J removal (confirmed on X ray) after open pyeloplasty: I could not find the stent: What to do next? - Dr Virender Sekhon, Gurugram
	13:00-13:10	A child with Suprapubic cystostomy presented with urinary dribbling. What went wrong? Dr Shivam Priyadarshi
	13:10-13:20	Twice failed ureteric reimplantation for vesico-ureteric reflux: where did we go wrong? Dr Virender Sekhon, Gurugram
13:30 - 14:10 Hrs	Session IX	Medico legal aspects of Complications
	Experts	Dr NP Gupta, Dr Arup Mandal, Dr Lalit Shah, Dr Anil Goel, Dr Rajeev TP
	13:30-13:40	Change in decision during surgery from partial to radical on the insistence of an attendant who is a pathologist - Dr Makarand Khochikar, Miraj
	13:40-13:50	I explained, patient decided against it and had treatment but the outcome was a disaster! Am I liable for that? - Dr Makarand Khochikar, Miraj
	13:50-14:00	A case of a Ghost surgery responsibility and liability. A case scenario Dr Anil Mandhani, Gurugram
	14:00-14:10	Cardiac Arrest on table while doing PCNL: What happened and How did I manage! Dr Dilip Mani Tripathi Gorakhpur
14:10 Hrs Onwards	Lunch
